Good-guest rules (the grown-up corner):

🚗 The driver never hunts — passengers spot, driver drives.

🏠 Home displays are somebody's yard — enjoy from the car, keep voices down, never block a driveway.

❤️ See a donation box? If a display made your night, a dollar or two keeps it shining next year.

📬 **Send us your scorecard** at lights.thatardad.com (bottom of the page) — and tell us if a display was dark or the hours were off. You help keep the guide honest.
